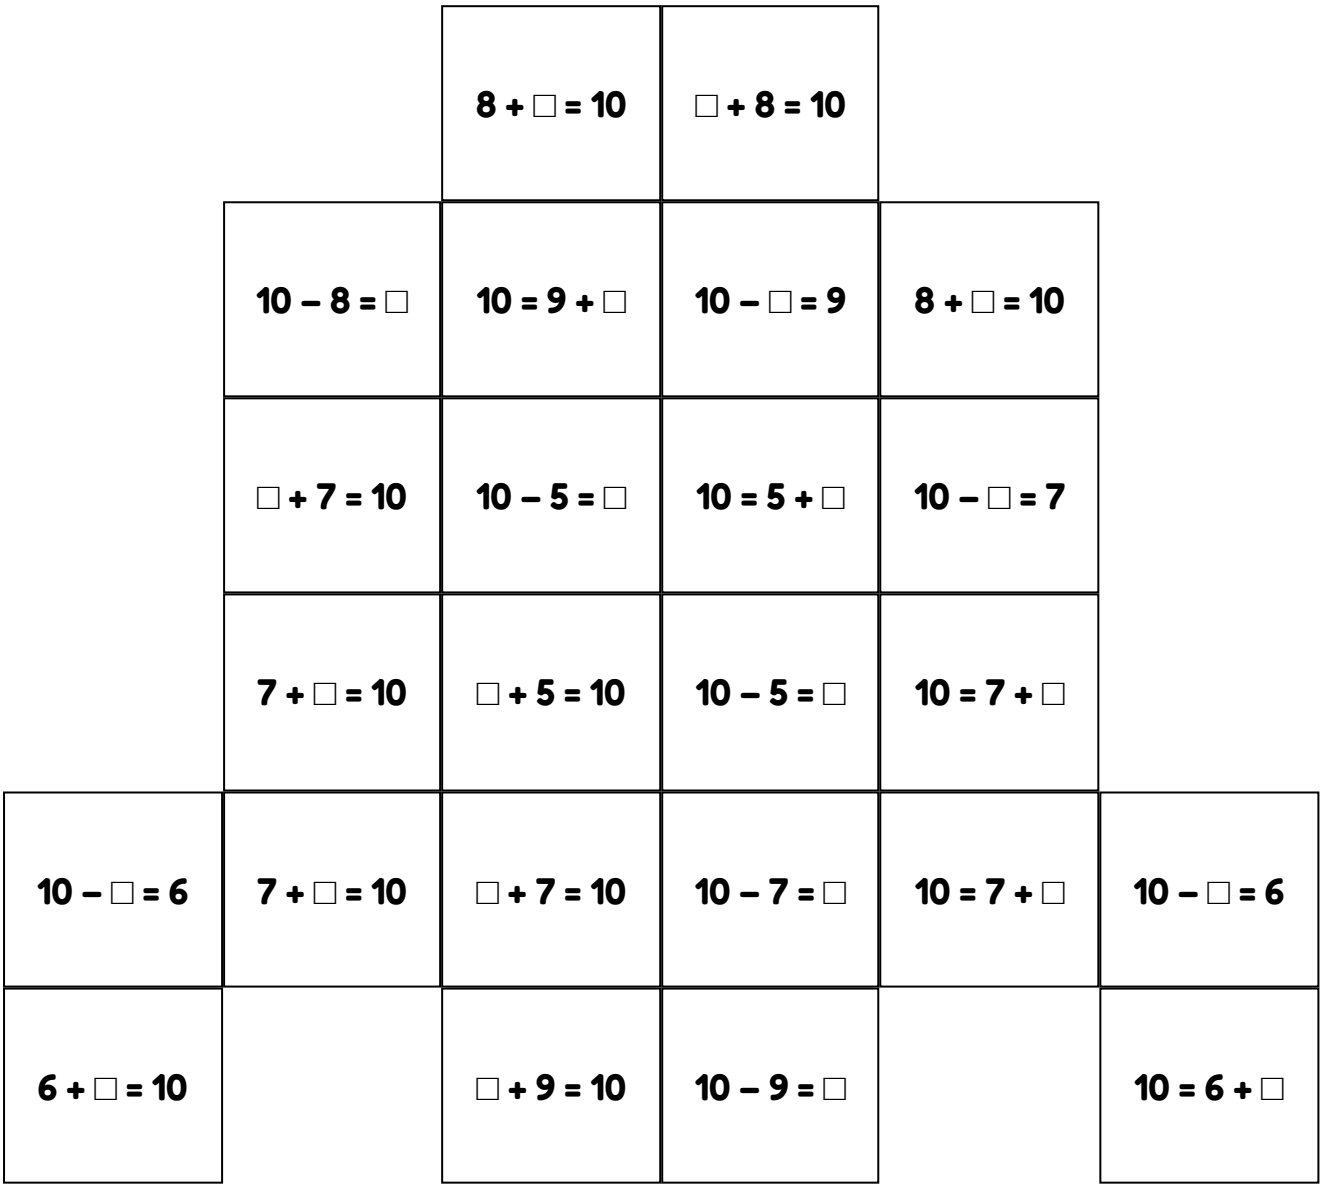
Rocket Number Bonds

Name _____

Class _____

Find the missing number in each square. Then colour the square with the colour for that number. Leave the empty squares white.

1 yellow	**2** red	**3** blue	**4** green	**5** orange



Check your work. Your rocket must look the same on the left and on the right. Count your colours:

yellow: 4 squares **red**: 4 squares **blue**: 8 squares **green**: 4 squares

orange: 4 squares
