Kit page: grid tiles and mats

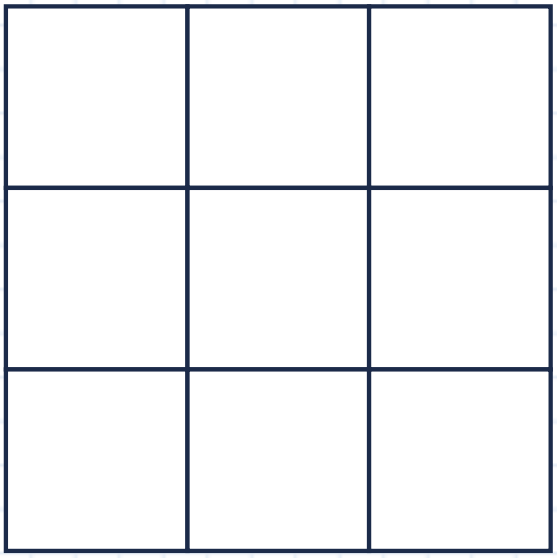

A grown-up cuts out all 16 tiles before the lesson: 4 circles, 4 squares, 4 triangles and 4 stars, each with a digit 1 to 4. The two mats are not cut. We use 9 tiles on mat 1 in class and all 16 tiles for Go further. Keep the tiles in an envelope.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

Tiles: cut out all 16 (a grown-up cuts). The mats are not cut.
