The 100 Square Explorer: practice at home

Name _____ Date _____

About 15 minutes, a few days after the lesson. Use your 100 square or draw it. Go further (question 5) is optional. Small things stay on the table, away from mouths and little brothers and sisters. A grown-up may read the questions aloud. Wrong answers are fine: they show what to try next. The answers are on a separate sheet, so they never print on the back of this one.

No.1

Start here

Count in 5s. Write the next three numbers: 40, 45, 50, _____, _____, _____.

No.2

Start here

On the 100 square a counter is on 58. It moves down 1 row. Which number is it on?

No.3

Start here

(a) Count in 2s: 2, 4, 6, 8, _____

(b) If you keep going, will you say 17? Circle Yes or No.

Yes No

No.4

Think harder

What is the next number? 6, 8, 11, 15, 20, _____.

No.5

Go further

Find a calendar. Pick 3 dates that have another date straight below them. (a) How much more is the date straight below each one?

(b) Is it always the same? Write why.
