Kit page: tens bars and ones squares

A grown-up cuts these out before the lesson. A bar is a ten. A square is a one. These are the kit from the first lesson of the term, so keep them in an envelope.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

Tens bars: cut out all 9 (each bar is a ten)

Ones squares: cut out all 20 (each is one one)
