Number Words and the Number Line: practice at home

Name _____ Date _____

About 15 minutes, a few days after the lesson. Use your number cards, a line you draw, or a toy frog. Go further (question 5) is optional. Small things stay on the table, away from mouths and little brothers and sisters. A grown-up may read the questions aloud. Wrong answers are fine: they show what to try next. The answers are on a separate sheet, so they never print on the back of this one.
