Something I did well:

The hardest part was ... ☐ taking away tens and ones ☐ hopping to the next ten ☐ counting up in jumps ☐ choosing a tool ☐ something else

What helped me: ☐ bars and squares ☐ drawing it ☐ trying again ☐ I asked for help ☐ I was not stuck

Next time I will try: ☐ drawing it ☐ using objects ☐ checking my answer ☐ asking a question ☐ I am still stuck (my tutor will come and help) ☐ I would like to pass
