What Time Is It?: home practice answers

Name _____ Date _____

For grown-ups. Please let your child try first, then check together. Ask *how do you know?* If your child is stuck, wait 10 seconds, then suggest drawing it.

1. short
The short hand names the hour. The long hand counts the minutes.

2. 5:00
The long hand on the 12 means an o'clock time. The short hand is on the 5, so it is 5 o'clock, 5:00.

3. 8:30
The long hand on the 6 means half past. The short hand has passed the 8, so it is half past 8, 8:30.

4. 45
Count in 5s from the 12: 5, 10, 15, 20, 25, 30, 35, 40, 45. The 9 is 45 minutes past the hour.

5. 29
2 tens is 20, and 9 ones makes 29. The tens digit goes first.
