Look-back There are no right answers. You can pass. Nobody reads it out.

Something I did well: .....

The hardest part was ... ☐ drawing the strip ☐ the second step ☐ twice as many ☐ something else

What helped me: ☐ cups and counters ☐ drawing it ☐ one step at a time ☐ I was not stuck

Next time I will try: ☐ drawing it ☐ using objects ☐ checking it ☐ asking a question

☐ I am still stuck (my grown-up will photograph this page for my tutor)

☐ I would like to pass

Kit page: strips

A grown-up cuts out the ten strips before the lesson (cut between the strips, not between the cells) and cuts three of them after 6 cells.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.
