Kit page: ten-frames and counters

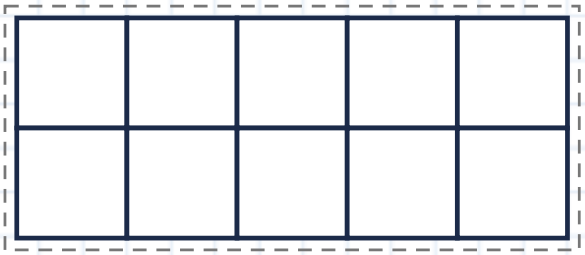

A grown-up cuts out the 20 counters (10 red, 10 yellow) before the lesson. Red counters can hide in a cup; yellow counters can be the loose ones. The ten-frames stay on the page.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

Kit page: shape cards

A grown-up cuts out the 15 shapes before the lesson: three each of circle, square, triangle, heart and star. Each shape is drawn, so a child matches pictures, not words. A shape is big enough to hold 3 counters. Keep the shapes in an envelope.
