

LEVEL 1 • TERM 3 • LESSON 3 • FOR PARENTS

3 Time Passes

WHAT WE DID

We added time on the clock. Your child set a cut-out clock one hour and half an hour later, read how long something lasts from two clocks, and counted back to find a start. One hour or half an hour later from an o'clock or half past start is Primary 1 work. Quarter-time starts, and Find the Start (a trip in two stages, and a film that crosses noon), go past the school Primary 1 syllabus on purpose.

> **One hour later, the short hand moves on one number. Half an hour later, the long hand goes half way round.**

TRY AT HOME (5 MINUTES)

1. Pick a start (a bus, a show, tea) and say it lasts half an hour. Ask: what time does it end? Check on a real or toy clock.
2. Say when something ended and how long it lasted. Ask for the start, then check by adding the time on.
3. Say that half an hour after 4:30 is 5:30. Let your child show you with the clock hands.

When your child is stuck

Let your child move the clock hands and wait 10 seconds before helping. Asking 'where is the long hand now?' works better than giving the answer. Please do not teach a rule such as 'add 60' or 'clockwise'; the clock hands are the method. If the look-back page says 'I am still stuck', photograph it and send it to our business WhatsApp (+65 9880 5962). Photos are kept 90 days after the program ends.

Words we used

- later: after (2:00 is 1 hour later than 1:00)
- lasts: how long something takes
- half an hour: 30 minutes
- am and pm: before noon and after noon (8:30 am, 8:30 pm)

Good questions

- Which hand moved? Which hand stayed?
- How do you know the hour changed?
- How could we check on the clock?

Have ready for next lesson

- Both play-money pages cut out by a grown-up (29 pieces)
- The $1 tokens from Term 2
- Your clock, kept in its envelope
- Pencil, rubber and paper

Next lesson

Next lesson: Dollars and Change. The play-money pages are the most cutting of the term, so please allow a week. Online practice: your tutor will share the link. The recording has the tutor, the shared screen and any voice that is not muted; your child may mute and keep the camera off. The recording link is private to your family: please do not share it. Missed a lesson? Every lesson is recorded; your tutor will share a private link with enrolled families.
