Kit page: event cards

A grown-up cuts out the 8 event cards before the lesson: four morning events and four afternoon or evening events. The morning and afternoon mat is not cut. Keep the cards in an envelope. The mat says a.m. and p.m., the same as am and pm.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.
