

LEVEL 1 • TERM 4 • LESSON 5 • FOR PARENTS

5 Spot It

WHAT WE DID

We played spot-the-difference with shapes. We looked at one thing at a time: the shape, how many, how big, the pattern and which way it faces. We found the odd one out, a missing piece and the 11th tile of a repeating pattern. Shadow Match (which shape is the same shape turned, not flipped) goes past the Primary 1 syllabus on purpose.

> **Look at one thing at a time, and you will not miss a difference.**

TRY AT HOME (5 MINUTES)

1. Line up 4 spoons, cups or toys with one odd one out. Ask: what is different?
2. Make two pictures that differ in 3 ways. Ask your child to find them.
3. Make a pattern with coins or socks that repeats (for example, big, small, small). Ask: what is the 10th?

When your child is stuck

Let your child use the cards or draw, and wait 10 seconds before helping. Please do not point to the answer: ask "What shape? How many? How big? Which pattern? Which way?" one at a time. If the look-back page says 'I am still stuck', photograph it and send it to our business WhatsApp (+65 9880 5962). Photos are kept 90 days after the program ends.

Words we used

- odd one out: the one that is not like the others
- pattern: plain, stripes or dots
- turn: which way a shape faces
- feature: one thing you can check, such as size

Good questions

- What is different? Say one thing.
- How many things are different?
- What part repeats?

Have ready for next lesson

- Book 8 (the last five lessons): tear out the paper-people page along the dashed line, then a grown-up cuts out the 8 paper people. Book 8 not here? Tell us on the business WhatsApp and we will send a PDF straight away
- The pair cards are not needed again: keep them for puzzles at home
- A pencil, a rubber and paper

Next lesson

Next lesson: Count Everything. Online practice: your tutor will share the link. The recording has the tutor, the shared screen and any voice that is unmuted. Please do not share the link. Missed a lesson? Every lesson is recorded; your tutor will share a private link with enrolled families.
