No.G3

Four children ran a race. Siti was 1st. Ben beat Ali. Ali beat Mei.

(a) Ben was _____.

(b) Mei was _____.

Name _____ Date _____

Investigation: Two places for one child

Try this any time. You do not have to finish.

First, try this. Draw 5 dots in a line. Write 1st to 5th above the dots. Below the dots, write the places counting from the back.

Next, try this. Do the same for a line of 8 dots. Pick 3 children. For each, add the place from the front and the place from the back. I notice …

Exit ticket

On your own, at the end of the lesson. No looking back.

No.E1

Ben is 4th in the line.

There are ☐ children in front of Ben.

No.E2

Mei is 5th from the front in a line of 6 children.

Mei is _____ from the back.

No.E3

Aisha is 3rd in the line. Kumar is right behind Aisha. Wei is right behind Kumar.

Wei is _____ in the line.

Look-back There are no right answers. You can pass. Nobody reads it out.

Something I did well:

The hardest part was … ☐ saying 1st, 2nd, 3rd ☐ counting from the back ☐ 4 or 4th ☐ how many are between ☐ something else

What helped me: ☐ my things in a row ☐ touching each one ☐ drawing the line ☐ I asked for help ☐ I was not stuck

Next time I will try: ☐ use my things in a row ☐ draw the line ☐ check my answer ☐ ask a question ☐ I am still stuck (my grown-up will photograph this page for my tutor) ☐ I would like to pass

Name _____ Date _____

Kit page: place cards and number cards

A grown-up cuts these out before the lesson. The top two rows say which place. The bottom two rows say how many.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

1st	2nd	3rd	4th	5th
6th	7th	8th	9th	10th
1	2	3	4	5
6	7	8	9	10
