( )

No.E3

4 buns cost $12. Fill in the blanks.

(a) 1 bun costs $ ☐ .

(b) 3 buns cost $ ☐ .

Look-back There are no right answers. You can pass. Nobody reads it out.

Something I did well:

The hardest part was ... ☐ sharing to find one ☐ finding many from one ☐ using the strip ☐ something else

What helped me: ☐ tokens ☐ drawing a strip ☐ checking my answer ☐ I was not stuck

Next time I will try: ☐ using tokens ☐ drawing a strip ☐ checking my answer ☐ asking a question ☐ I am still stuck (my grown-up will photograph this page for my tutor)

☐ I would like to pass

Name _____ Date _____

Kit page: $1 tokens

A grown-up cuts out the 20 round tokens before the lesson. A token stands for one dollar. Whole dollars only: there are no coins or notes in this lesson.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

$1	$1	$1	$1	$1
