# 6 The School Shop

## WHAT WE DID

We planned what to buy in the school shop. Your child chose two tags for an exact amount, found the total and the change, and listed every way to pay. The total, the change and which two items cost exactly an amount are Primary 1 work. Listing every way to spend exactly $20, and paying $20 with three kinds of note, go past the school Primary 1 syllabus on purpose.

> **Go in order, so that no way is missed. The same things in a different order are the same way.**

## TRY AT HOME (5 MINUTES)

1. Pick two items from a leaflet. Ask: how much altogether? With $20, how much is left?
2. Ask: which two items cost exactly $10? Start with the one that costs the least.
3. Pay exactly $10 with $2 and $5 notes. How many ways?

### When your child is stuck

Let your child use the tags and play money and wait 10 seconds before helping. Asking 'What partner does this price need?' works better than giving the answer. Please do not teach a rule; going in order is the method. If the look-back page says 'I am still stuck', photograph it and send it to our business WhatsApp (+65 9880 5962). Photos are kept 90 days after the program ends.

### Words we used

- budget: the money you have
- exactly: no more and no less
- enough: the total is not more than the money you have
- left: the money that remains after buying
- a way: what you buy, not the order you pick it up

### Good questions

- How do you know you have every way?
- Is it the same way in a different order?
- Is the money enough?

### Have ready for next lesson

- 16 grid tiles: the last page of your Term 3 • Lesson 7 workbook, cut out by a grown-up
- Your price tags and play money, kept in their envelope for the Quest
- A coloured pencil is optional
- Pencil, rubber and paper

### Next lesson

Next lesson: Fill the Grid. Online practice: your tutor will share the link. The recording has the tutor, the shared screen and any voice that is not muted; your child may mute and keep the camera off. Please keep the link private. Missed a lesson? Every lesson is recorded; your tutor will share a private link with enrolled families.
