Something I did well	write or draw one thing
The hardest part was …	☐ knowing which card goes on the left ☐ looking at the tens first ☐ the 0 card ☐ listing every number (Think harder) ☐ something else
What helped me	☐ digit cards or my kit ☐ drawing it ☐ trying again ☐ I asked for help ☐ I was not stuck
Next time I will try	☐ using my cards ☐ building it with the kit ☐ checking my answer ☐ asking a question
	☐ I am still stuck (my tutor will come and help) ☐ I would like to pass

Take your time. You can pass.
