Kit page: grid tiles and mats

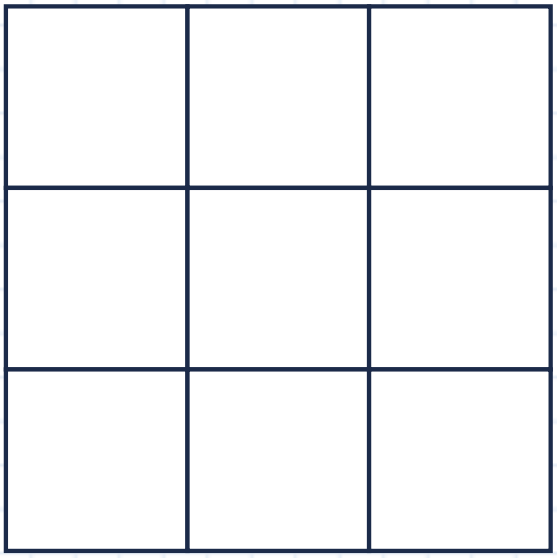

A grown-up cuts out all 16 tiles before the lesson: 4 circles, 4 squares, 4 triangles and 4 stars, each with a digit 1 to 4. The two mats are not cut. We use 9 tiles on mat 1 in class and all 16 tiles for Go further. No printer or no cutting? Use nine small things of three kinds on a 3 by 3 grid you draw. Keep the tiles in an envelope.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

Tiles: cut out all 16 (a grown-up cuts). The mats are not cut.
