# Spot the Mistake: home practice answers

Name _____ Date _____

For grown-ups. Please let your child try first, then check together. Ask *how do you know?* If your child is stuck, wait 10 seconds, then suggest drawing it.

**1. No. 34 + 18 = 52.**
A check: 42 – 18 = 24, not 34. 4 + 8 = 12, so the ten was forgotten. The right answer is 52.

**2. No. 4:00.**
Half an hour after half past 3 is 4 o'clock. The long hand goes round from the 6 to the 12, and the short hand moves to the 4.

**3. No. $9.**
6 and 9 make 15, so $9 is left. A check: 11 and 6 make 17, not 15.

**4. 84**
84 – 38 = 46, which is where we started. 74 – 38 = 36, not 46. So 84 is right.

**5. 5**
Count up from 9 to 14. That is 5 steps, so Line A is 5 cm longer.

More practice online (no timers, no scores): ask your tutor for the practice link.
