# Photocopier test: owner checklist

Print photocopier_test_pages.pdf (10 pages, A4, black and white). Then photocopy each page at NORMAL toner (not light). Compare each copy with the original. Look at the copy, not the screen. Tick OK or write what went wrong.

Date: _____ Copier / school office: _____ Toner setting: normal (tick) [ ]

| # | Page (test file order) | What to look at | Result: OK / problem |
|---|---|---|---|
| **1** | P2 S1-18 Parts of a Whole (fractions) | Shaded parts stay separate from white parts. Neighbouring shaded cells do not merge into one block. | |
| **2** | P2 S2-01 Dollars and Cents (coins) | The words "cents" and "dollar", and the numbers on the coins and notes, can be read. | |
| **3** | P2 S2-04 Purse Match (coins) | Same as 2. Every coin in a purse is still a separate coin. Letters in the boxes can be read. | |
| **4** | P2 S1-17 Colour the House (colour by code) | Pale crayon: number in each part still readable. Part edges visible. Letters in boxes readable. | |
| **5** | P2 Answer Key page (keys for S1-17, S1-18, S1-19) | Grey or shaded areas are not black blobs. Small text and letters still readable. | |
| **6** | P1 S2-10 Coin Purses (coins) | Same as 2 and 3: "c" or "cents" readable, coins separate, numbers readable. | |
| **7** | P1 S2-11 Fewest Coins (coins) | Same as 6. Coin faces and numerals clear. | |
| **8** | P1 S1-04 Colour the House (colour by code) | Same as 4. | |
| **9** | P1 S1-17 Finish the Figure (square grid) | Fine grid lines stay visible and do not fill in. Pupil can still copy the figure. | |
| **10** | P1 Answer Key page (keys for S1-04, S1-05, S1-06) | Same as 5. | |

Overall: copies readable at normal toner? Yes [ ] No [ ] Notes: _____

Then reply with one sentence of what you did and found, for example "photocopied S2-01 at normal toner, cents readable".
