The School Shop: practice at home

Name _____ Date _____

About 15 minutes, a few days after the lesson. Use your price tags and play money. Small pieces stay on the table, away from little brothers and sisters. A grown-up may read the questions aloud. Wrong answers are fine: they show what to try next. The answers are on a separate sheet, so they never print on the back of this one.

No.1

Start here

Aisha has $10. A rubber costs $3 and a pencil costs $4. Does she have enough money for both? Circle Yes or No. I know because _____.

Yes No

No.2

Start here
