Time Passes: home practice answers

Name _____ **Date** _____

For grown-ups. Please let your child try first, then check together. Ask *how do you know?* If your child is stuck, wait 10 seconds, then suggest drawing it.

1. 10:30
One hour later is the next hour with the same minutes: 9:30 am and 1 hour is 10:30 am.

2. 5:30
Half an hour after 5 o'clock is half past 5, written 5:30.

3. 4:15
3:45 and 15 minutes is 4:00. 15 more minutes makes 30 in all, so he stops at 4:15 pm.

4. 7:30
Go back half an hour from 9:00 pm: he started to walk at 8:30 pm. Go back 1 hour from 8:30 pm: the bus ride started at 7:30 pm.

5. 17, 27, 70, 72
Look at the tens first: 17 has 1 ten, 27 has 2 tens, 70 and 72 have 7 tens. 70 has no ones, so it comes before 72.

More practice online (no timers, no scores): ask your tutor for the practice link.
