Kit page: clock

A grown-up cuts out the 2 clock faces and the 6 hands (3 short, wide hour hands and 3 long, thin minute hands) before the lesson. The hands lie flat on the face: no pin, nothing sharp. Keep all 8 pieces in an envelope; we use the clock again in Term 3 Lessons 2, 3 and 10.

Print this page on its own sheet, or on one side only, so cutting never spoils another page. A grown-up cuts; children do not use scissors. Keep the pieces in an envelope with your name. We use them again.

Clock faces: cut out both. Hands: cut out all 6.

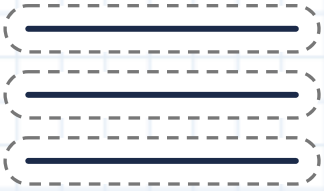

Hour hands (short, wide)

Minute hands (long, thin)

Lay a hour hand and a minute hand on a face, with the enc
together at the middle. No pins: keep the hands flat.
