Five Minutes at a Time: practice at home

Name _____ Date _____

About 15 minutes, a few days after the lesson. Use the cut-out clock or a real clock. A grown-up may read the questions aloud. Wrong answers are fine: they show what to try next. The answers are on a separate sheet, so they never print on the back of this one.

No.1

Start here

The long hand is on the 4. Count in 5s. How many minutes past the hour is that? _____ minutes

No.2

Start here

The long hand is on the 7. The short hand has passed the 8. Write the time in digits. _____
