Odd + Odd: Always, Sometimes, Never: practice at home

Name _____ Date _____

About 15 minutes, a few days after the lesson. Use counters or draw dots in pairs. Small things stay on the table, away from mouths and little brothers and sisters. A grown-up may read the questions aloud. Wrong answers are fine: they show what to try next. The answers are on a separate sheet, so they never print on the back of this one.

No.1

Start here

Pair up counters. Write Odd or Even. (a) 8 _____

(b) 15 _____

(c) 20 _____

No.2

Start here
