Kit pages (cut-outs)

Some lessons end with a kit page: tens bars, number lines, cards and so on.
Each kit page has a blank back, so you can cut or tear it out without losing any work.
Tear along the dashed line in the left margin. If the page says cut out, a grown-up cuts the pieces; keep them

SKIP-COUNT TABLES!

Name _____ Date _____

After question 3 you may choose: carry on, or try **Think harder**.

Use your 100 square and a counter. In 3 × 5, the first number is how many jumps and the second is the size of each jump.
