Spot It: home practice answers

Name _____ **Date** _____

For grown-ups. Please let your child try first, then check together. Ask *how do you know?* If your child is stuck, wait 10 seconds, then suggest drawing it.

1. third
The big shapes are the 1st, 2nd and 4th. The 3rd shape is small, so it is the odd one out.

2. 1
Count up from 5 to 6: 1. Picture 2 has 1 more star.

3. 2
Tile 1 is the same. Tile 2 is different in size. Tile 3 is different in pattern. That is 2 differences.

4. star
The part that repeats is star, circle, circle. The stars are the 1st, 4th, 7th and 10th shapes, so the 10th shape is a star.

5. No
The bags have 3, 3 and 4 sweets. The groups are not equal.

More practice online (no timers, no scores): ask your tutor for the practice link.
