Build the Figure: practice at home

Name _____ Date _____

About 15 minutes, a few days after the lesson. Use your pieces or draw it. Small pieces stay on the table, away from little brothers and sisters. A grown-up may read the questions aloud. Wrong answers are fine: they show what to try next. The answers are on a separate sheet, so they never print on the back of this one.

No.1

Start here

A picture has 5 circles and 2 squares. There are _____ more circles than squares.

No.2

Start here

2 squares make a _____. Write rectangle, circle or triangle.

No.3

Think harder

A square is cut corner to corner into 2 triangles. 4 squares are cut this way. How many triangles are there? _____

No.4

Go further

A rectangle is made of 2 rows of 4 squares. Rectangles that are 2 squares long cover it. The fewest pieces is _____.

No.5
